

## Cascade Days Car Show

August 19, 2017

The car show starts at 12:30 pm and ends at 4:30 pm.

Entry fee is \$15. There is no pre registration.

Come into town on the west end of town, on Superior Ave. There is parking on Superior. After the parade you will drive east on Main Street and at the top of the hill parking directors will show you where to park. If the cars are moving slowly, stop at the bottom of the hill until cars move on so you don't get stuck on the hill and over heat! Then go to the registration table to pay and register for the car show and door prize.
